

Brainiacs (5-6yrs)

Meet the Instructor: Tina Strohn

Tina has a degree in elementary education and a specialization in early childhood. She has taught and tutored children of all ages, including her own classroom of fifth graders for several years. She loves watching kids become life-long learners when they discover the FUN in learning new things. Tina has been leading programs on preschool math & science for the DCRC since spring 2015.

Meeting Dates/Times/Location

Thursdays, Apr 7 – May 5

#212002.01: 1:30-2:30 p.m.

Kaltenbach Park, Rooms A&B

Ted Kaltenbach Park, 5985 Cara Road, Dublin, OH 43016

Days Off

There are no days scheduled off during each session. If a class is canceled due to instructor illness or inclement weather, we will make every attempt to hold a make-up class. Please review our Inclement Weather Policy (backside of sheet).

Program Overview

Join Ms. Tina in a fun afternoon class that includes a variety of games, manipulatives, and activities involving science and math theories and skills. Discover how math and science come together to create the world around us. Lots of fun, engaging activities to explore and learn!

Program Expectations for Parents

Parents are expected to have their child at the program on time, and pick up promptly at the conclusion of the program. Please make sure your child has used the restroom before coming to class.

Program Fees/Supplies/Dress

There are five classes for this session. The program fee is \$50 for Residents and \$60 for School District & Non-Residents. Minimum enrollment is required one week prior to the program date. Children should come dressed for a mess. Paint smocks/t-shirts will be provided by the instructor at the beginning of each class.

Recreation Center Policies

Inclement Weather Policy:

In general, DCRC class/activity schedules coincide with Dublin City Schools. When school is cancelled, all daytime DCRC classes are cancelled, and a decision regarding evening classes (those after 4 p.m.) will be made by 3 p.m. Whenever schools are released early, all evening classes at the DCRC are cancelled. If you are unsure if a class will be held due to weather, please check our website at <http://dublinohiousa.gov/recreation/closings> for the latest updates and cancellations before heading out. You can also call our pre-recorded information hotline at 614-410-4946. In the event of a cancellation due to weather, we will make every attempt to provide a make-up class. Instructors will provide information on make-up classes.

Sibling Policy:

Due to the structure of the child/parent programs, only children who are the appropriate age for the class will be permitted to register and attend the program. No younger or older siblings are allowed in the classroom to sit and watch or be left unattended in the lobby. For your convenience, we have a Wee Folk Room available for families who are in need of sibling care during our programs.

Parent Policy:

All preschool/youth programs require parents to bring their child directly to the room for the program to sign them in, and to sign them out at the conclusion of the program (if not a parent participation program). With your child's best interest in mind and to provide the best learning environment, we ask that all parents refrain from entering the teaching area during classes. This eliminates any interruptions between the instructor and participants. We feel it is beneficial for the children to have time alone to interact with their peers. To provide a safe environment, students must be able to follow directions and not be disruptive.

Healthy Kids:

If your child experiences any signs or symptoms of illness, please do not bring them to the programs at the DCRC. Symptoms of seasonal flu include fever, cough, sore throat, runny or stuffy nose, body aches, headache, chills and fatigue. Please be aware that if your child becomes ill or vomits during any of our preschool/youth programs, they must be removed from the facility right away. Refunds are not available due to illness.

Program Evaluations:

Our program evaluations are now paperless! You will receive an email after your final class thanking you for your participation and providing you a link to complete a short, online survey regarding your experiences in the class. We look forward to hearing from you! You can access this survey at anytime: <http://www.surveymonkey.com/s/KPH2R5C>
